## Key Points:

- Joy is not dependent on the state or season of our marriage.
- Joy is not dependent on our husband.
- Joy in marriage is often birthed out of seasons of difficulty.
- Joy in marriage often coexists with other very real emotions.

## Reflection:

What are the ways you experience authentic JOY in your marriage?

What are the “real emotions” coexisting in your marriage?

What brings you the most JOY in your marriage?

What is one area where you would like to focus in your marriage?
